Newsletter: issue July

**MANY NEW LUMINAIRES**New spotlights, pendant and LED luminaires for 230 V track system **DUOLARE**

"The new lights have been the most popular classics in our entire lighting range. Now we have made them directly accessible for our successful Duolare mains voltage track system", stated Thomas Unger, Managing Director of BRUCK. "With their elegant and delicate adapter, they harmoniously and seamlessly fit in with the power track's slender design. Mounted directly on the ceiling with a size of just 18 x 18 mm, Duolare is both elegant and unobtrusive."...> [more](#)
